This permit becomes null and void if work or construction authorized is not commenced within 6 months or if construction or work is suspended or abandoned for a period of 6 months at any time after work in commenced.

In the event the licensed contractor disclosed hereon is replaced on this project, the Gallatin Building Department shall be immediately notified. Failure to notify may result in revocation of this permit and is a violation of state law.

I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction. Contractor and/or homeowner/builder is responsible to adhere to all existing setbacks, easements, and/or buffer yards located on said property.
