### **GAP Inc. Adding 50 Jobs In Gallatin**

**(February 26, 2016)** GAP Inc. logistics and distribution center in Gallatin has notified the City of Gallatin that it is adding 50 full-time permanent positions with benefits and paid time off open immediately.

“It is rare for GAP to hire directly to full-time without having the employee first work during a seasonal period,” said Gallatin Economic Development Agency Director James Fenton. “It’s a good sign that GAP continues to grow its base here in Gallatin.”

The additional jobs are for Powered Equipment Drivers, however applicants do not need to have experience. If applicants are willing to learn, GAP will train them on operating a cherry picker and fork lift, said GAP Inc.’s job recruitment managers .

To apply for the new jobs, visit GAP Inc.’s Facebook page at:  
<https://www.facebook.com/GapIncGSCCareers/>

Or apply at their online site:

The advertisement is a rectangular graphic with a blue border. On the left side, there is a photograph of a worker in a warehouse operating a cherry picker. On the right side, there is text. At the top, it says "Gap Inc. Global Supply Chain". Below that, in large blue letters, is "NOW HIRING". Underneath that, in smaller blue letters, is "FULL TIME OPT DRIVERS". The text continues with "Competitive Pay", "Excellent Benefits", "Generous Employee Discount", "2nd and 3rd shift available", and "No experience necessary but must be willing to learn to drive!". At the bottom of the text, it says "Located in Gallatin, TN". Below the text, there are social media icons for Facebook and Twitter, along with the text "Find us on", "GSC Gap", "Apply Online Today!", "www.gapinc.com/careers", and "@GallatinGap".
