

PUBLIC MEETING

January 31, 2013 at 10:00 AM

The City of Gallatin Engineering Division and Codes/Planning Department would like to invite all those interested to a public meeting in the **Deotha Malone Council Chambers on the 2nd floor of City Hall** to discuss the following items:

1. 2009 building codes, changes and implementation (Codes/Planning Department)
2. TDEC State Construction General Permit changes (Engineering Division)
3. Land Disturbance Permit (Engineering Division)
4. City MS4 Permit (Engineering Division)
5. City Subdivision and Stormwater Ordinance updates (Engineering Division)
6. Specific EPSC issues

We encourage all builders, contractors, designers, and developers to attend. There will be a question/answer session at the end of each item listed above. Please pass this on to anyone you believe will be interested.
