

Together... Better Roads, Cleaner Streams

Used motor oil can be recycled.

Never dump it on the ground, and never put anything into a storm drain!

Use kitty litter to soak up oil leaks and spills. Then sweep it, double bag it, and put it in the trash.

Never hose down!

At Home, School, and on the Road...

Kids can make a difference!

Please share these cleaner streams tips with your parents and help them however you can!

Our Cleaner Streams Mascot *DOT the Drop* Reminds Us...

ONLY RAIN IN THE DRAIN!

www.gallatinonthemove.com

Carpool, take the bus, ride a bike, or walk.

When it rains, air pollution from cars turns into water pollution!

Scoop pet waste into a bag and put it in the trash.

Pet waste left on the lawn or pavement ends up in the lake - yuck!

Use the least toxic products and follow directions carefully.

Never apply garden products when rain is on the way!

Sweep sidewalks and put litter in the garbage.

Don't hose trash, dirt, or chemicals into the street!
