Downtown business owners,

As you are likely aware, several of the crosswalks crossing East Main Street (S.R. 25) are in need of repair. City public works crews will be performing repairs and replacement the week of March 14 thru 21. During this time, both lanes of East Main Street will be shut down between Water Ave. and the exit to the square. Detours will be in place to route traffic down Franklin and Smith Street around the construction area. Attached are the detours that will be in place. We apologize for the inconvenience, and feel free to contact me at 615-451-5909 if you have any questions or concerns.

Sincerely,

A handwritten signature in blue ink, appearing to read "Zi", is written over a light blue rectangular background.

Zach Wilkinson, PE, RLS
Public Works Superintendent
